About BalMela

Balmela is a fun tour for the participating children and an opportunity for his overall development. Different avenues of development open up in child's mind due to this. Which implant something about his future in to his mind and this implantation spreads becoming a tree in the future. Balmela is a program of children's presentation. It is a program to develop the hidden skills in the children. Workability is satisfied by motivating self-faith and self-confidence in to the children. Group attitude is developed. Thinking power is developed. Values are moulded in them and self-confidence is increased. These types of Balmela are organized by the CSIR Foundation in Desirous Government as well as Private schools of Rajasthan State resulted in to increase in reputation, stabilization and quality improvement.
